The Washington Health Information Collaborative (WHIC) is a public-private partnership providing funding to medical clinics and small hospitals for the acquisition, implementation and expansion of health information technology. WHIC partners include First Choice Health, the Washington State Health Care Authority, the Puget Sound Health Alliance and Qualis Health. Any organization interested in helping to improve health care efficiency and effectiveness through the use of health information technology is encouraged to become a WHIC partner. For more information, see [www.wahealthinfocollaborative.org/aboutwhic](http://www.wahealthinfocollaborative.org/aboutwhic)
